Dear Ms. Punzo-Arias,

The world has tough problems: neighborhoods beset by violence and crime, families torn apart by addiction, children living with hunger, neglect or abuse, and people suffering from clinical depression, emotional and spiritual angst. These problems are the toughest of the tough, but The Salvation Army meets them head on, all year round.

We consider it an honor and a privilege to partner with community leaders like yourself to serve the most vulnerable in our neighborhoods.

We are requesting your community's approval to conduct our annual Red Kettle Campaign in the public ways (sidewalks, intersections, etc.), and our intent to seek permission from private property owners regarding collections of funds in front of their establishments.

RED KETTLE CAMPAIGN: Monday - Saturday, November 1st - December 24th 2022

Enclosed is a confirmation form. We ask that you take a few minutes to fill it out, specifying any requirements or notes you'd like us to acknowledge. Please scan and email this form back to us, keeping a copy for your records.

Dear Ms. Punzo Arias,

I write to request an occupancy use permit of the "L" strip behind the Olympic Building located at 6134 W. Cermak Rd. I will be hosting a Community Shred Event on Saturday, July 9, 2022 from 9:00 am to 12:00 pm.

In today's technology filled world, we must take steps to ensure that we protect the security and integrity of our citizens' personal information. This event allows individuals from our community to protect their families from identity theft by providing a way to destroy old and sensitive documents safely and securely.

Additionally, we will be accepting outdated medications and electronics, removing them from households in a manner that keeps them from harming our environment and contaminating our waterways.

I further request that the parking spaces on the west side of the parking lot be restricted the night before (July 8th) to allow the shredding equipment to park. Rest assured that the free flow of traffic will not be impeded.

Please feel free to contact my office if you need additional information.

EXHIBIT A

FINDINGS AND RECOMMENDATION

FINDINGS OF FACT AND RECOMMENDATION OF THE ZONING BOARD OF APPEALS

RE: 3314 South Cicero Avenue (the “Subject Property”)

GRANT OF A SIGN VARIANCE

On May 25, 2022, the Zoning Board of Appeals (the “ZBA”) of the Town of Cicero (the “Town”) recommended granting a certain sign variance for the Subject Property, based on the following:

1. The Subject Property is located in the M-2 zoning district in the Town; and
2. Integrity Sign Company through Austin Davis and on behalf of Midwest Express Clinic (collectively, the “Applicants”) submitted an application to the ZBA seeking a sign variance to allow the installation of wall signs on the rear of the building, which faces Cicero Avenue (collectively, the “Zoning Relief”) in connection with the operation of a Midwest Express Clinic at the Subject Property (the “Existing Use”); and
3. The Town’s ordinance regulating signs (the “Sign Ordinance”) does not address rear wall signs; however, upon application to the ZBA, Section 6-103 of the Sign Ordinance, provides that “the zoning board of appeals may vary or otherwise modify the application of any section of this article to any particular case when, in the opinion of such board, the literal enforcement thereof would do manifest injustice or would be contrary to the spirit and purpose of this article or the public interest”; and
4. In accordance with the Illinois Compiled Statutes and the Sign Ordinance, notice of a public hearing regarding the requested Zoning Relief (the “Hearing”) was published in one or more newspapers published in the Town; and
5. At the Hearing, the Applicant presented credible evidence demonstrating that: (a) the Applicant’s rear of the building faces Cicero Avenue, a major thoroughfare through the Town, and the purpose is to increase visibility of the Existing Use; (b) plans and drawings indicate that the Applicant seeks to install a second illuminated business identification wall sign on the East (Cicero Avenue) building elevation; and (c) the proposed sign will be beneficial by increasing visibility to potential customers and clients traveling along Cicero Avenue, which has a high volume of traffic; and (d) the Applicant will comply with all requirements of the Town’s Code of Ordinances (the “Town Code”) related to the erection and illumination of the Signs; and
6. At the Hearing, the Applicant agrees that the sign would not exceed the square footage allowed for wall signs pursuant to the Sign Ordinance, not more than ten percent (10%) of the wall; and

7. In light of the above, the ZBA found that granting the Zoning Relief would not: (a) endanger the public health, safety, morals, comfort, or general welfare of the neighborhood; (b) harm the use or enjoyment of property in the immediate vicinity or damage neighboring property values; (c) impede upon the normal and orderly development and improvement of surrounding property; or (d) alter the essential character of the area. The ZBA further found that literal enforcement thereof would do manifest injustice or would be contrary to the spirit and purpose of this article or the public interest and as such, Zoning Relief should be granted.

CONCLUSION; CONDITIONS

The Applicant provided evidence that the requested Zoning Relief would comply with the requirements set forth in the Sign Ordinance. The Existing Use will not alter the essential character of the area nor negatively impact neighboring property values. Based on the foregoing, the ZBA recommends granting the Zoning Relief on the condition that the Applicant will substantially comply with the plans and exhibits presented to the ZBA, that the Applicant shall comply with the requirement of the Town Code, and that any variation from the plan or exhibits presented must be approved by Town staff.

FINDINGS AND RECOMMENDATION

FINDINGS OF FACT AND RECOMMENDATION OF THE ZONING BOARD OF APPEALS

RE: 5632 West Cermak Road (the “Subject Property”)

GRANT OF A SIGN VARIANCE

On May 25, 2022, the Zoning Board of Appeals (the “ZBA”) of the Town of Cicero (the “Town”) recommended granting a certain sign variance for the Subject Property, based on the following:

1. The Subject Property is located in the R-4 zoning district in the Town; and
2. Patricia Raftopoulos (the “Applicant”) submitted an application to the ZBA seeking a sign variance to allow the existing “Mr. Submarine” projecting sign to remain where the existing sign, which has been at the Subject Property for forty-six (46) years, does not comply with Section 6-121 and 6-118 of the Code of Ordinance of the Town of Cicero (the “Town Code”) (the “Zoning Relief”) in connection with the operation of an existing Mr. Submarine restaurant at the Subject Property (the “Existing Use”); and
3. Section 6-103 of the Town Code, provides that “the zoning board of appeals may vary or otherwise modify the application of any section of this article to any particular case when, in the opinion of such board, the literal enforcement thereof would do manifest injustice or would be contrary to the spirit and purpose of this article or the public interest”; and
4. In accordance with the Illinois Compiled Statutes and the Sign Ordinance, notice of a public hearing regarding the requested Zoning Relief (the “Hearing”) was published in one or more newspapers published in the Town; and
5. At the Hearing, the Applicant presented credible evidence demonstrating that: (a) the Applicant’s “Mr. Submarine” sign has existed at the Subject Property for forty-six (46) years; (b) the Applicant recently purchased the business at the Subject property which included the “Mr. Submarine” sign; and (c) the “Mr. Submarine” sign is important for marketing and name recognition, and in order to find the location of the restaurant given the number of business on Cermak Road; and
6. In light of the above, the ZBA found that granting the Zoning Relief would not: (a) endanger the public health, safety, morals, comfort, or general welfare of the neighborhood; (b) harm the use or enjoyment of property in the immediate vicinity or damage neighboring property values; (c) impede upon the normal and orderly development and improvement of surrounding property; or (d) alter the essential character of the area. The ZBA further found that literal enforcement thereof would do manifest injustice or would be contrary to the spirit and purpose of this article or the public interest and as such, Zoning Relief should be granted.

CONCLUSION

The Applicant provided evidence that the requested Zoning Relief would comply with the requirements set forth in the Sign Ordinance. The Existing Use will not alter the essential character of the area nor negatively impact neighboring property values. Based on the foregoing, the ZBA recommends granting the Zoning Relief.

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING A CERTAIN BINDING REFERENDUM QUESTION REGARDING WHETHER THE PROCESS FOR WRITE-IN CANDIDACIES FOR CERTAIN TOWN OF CICERO ELECTED OFFICES FOR THE PRIMARY AND THE GENERAL ELECTIONS IN THE TOWN OF CICERO, COOK COUNTY, ILLINOIS SHALL BE CREATED TO BE PLACED ON THE BALLOT TO BE VOTED ON AT THE GENERAL ELECTION TO BE HELD ON NOVEMBER 8, 2022, FOR THE TOWN OF CICERO, COUNTY OF COOK, STATE OF ILLINOIS.

WHEREAS, the Town of Cicero (the “Town”) was created by a charter enacted by the Illinois General Assembly (the “Charter”); and

WHEREAS, the Corporate Authorities of the Town (as defined below) are governed by the Charter and the Constitution of the State of Illinois and the statutes of the State of Illinois when not specified in the Charter; and

WHEREAS, the Town is a home rule unit of local government as is provided by Article VII, Section 6 of the Illinois Constitution of 1970, and as a home rule unit of local government the Town may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Article VII, Section 6(f) of the 1970 Illinois Constitution further provides that a home rule municipality shall have the power to provide for its officers, their manner of selection and terms of office only as approved by referendum or as otherwise authorized by law; and

WHEREAS, in November, 2004, the citizens of the Town of Cicero (the “Town”) voted to change the system of elections from a partisan system to a non-partisan system, as well as other changes to the manner in which the Town elects its officials; and

MEMORANDUM

TO: Board of Trustees, Town of Cicero
CC: Honorable Larry Dominick, President, Town of Cicero
Michael T. Del Galdo, Town Attorney, Town of Cicero

FROM: David Mills

DATE: June 22, 2022

SUBJECT: Insurance: Workers' Comp, Vacant Properties, and Special Events Insurance

In connection with the renewal of the above insurance policies, the Town's insurance brokers have asked us to provide the following information:

WORKERS' COMPENSATION

After many years with Safety National being the only Workers' Comp Insurer willing to offer Cicero a reasonable quote, this year Cicero has the option for coverage with ICRMT, the Town's property and liability insurance carrier.

The Safety National quote is essentially the same as last year, \$255,733, with a service fee of \$25,000, for a total of \$280,733.

The ICRMT quote is \$252,690, which is the total cost with no service fee and no additional payment to the TPA, IPMG. The ICRMT policy requires all insureds to use IPMG as their TPA. ICRMT incorporates the expense of the TPA services into its premium. The result being that Cicero receives the TPA services at no extra cost.

VACANT PROPERTIES

The Town's vacant buildings, property damage, insurance is up for renewal. The liability insurance for vacant properties is now covered by the Town's ICRMT policy. There is a \$6,000 decrease in the premium for the property damage insurance, which will be \$29,591, for next year. Details are provided in the attached Alliant/Mesirow Proposal.

SPECIAL EVENTS

The Special Events program consists of two policies, liability, and dram shop/liquor liability. The general liability policy with Lloyd's of London has a premium increase to \$90,128 due increased attendance at events. Lloyd's no longer offers dram shop insurance. The dram shop insurance is now with National Specialty Insurance Company with a premium of \$6,375.

Executive Summary

The Public Entity of Alliant Insurance Services appreciate the opportunity to present the following Excess Workers Compensation, Vacant Property, and Crime proposal to Town of Cicero for the upcoming July 1, 2022 – 2023 insurance renewal.

Current Marketplace

Insurance rates are continuing to increase across the board within the marketplace. Even prior to COVID-19, the insurance marketplace had hardened significantly with overall renewal increases averaging between 10%-25%. As the pandemic continues, we continue to see rate increases as we enter Q3 of 2022.

Excess Workers Compensation

Alliant secured two program options for Town of Cicero's consideration.

Safety National Insurance Company provided a renewal quote that despite market conditions, was a flat rate. The recognition of the long-time history with the Town of Cicero and last year's increase of the Self-Insured Retention from \$750,000 - \$800,000 contributed to this favorable renewal. While the premium went up slightly, .35% or \$887, it was solely driven by the estimated increase in payrolls.

The second option is with Illinois Counties Risk Management Trust (ICRMT). ICRMT is your property and liability carrier and those coverages renew December 1, 2022. The ICRMT quoted premium is similar to Safety National's premium but with extraneous factors, ICRMT's quote becomes a cost savings to Cicero.

ICRMT requires all claims be handled by their Third-Party Administrator and thus the claims handling fees are incorporated into the premium. The TPA that handles the claims is IPMG which is the Town's current TPA. If the decision is made to bind coverage with ICRMT, Cicero may forego the contract and fees associated with the IPMG contract. However, Cicero will still benefit by having their current TPA and established adjusters will remain intact.

The other advantage is ICRMT pricing includes commission. The commission is paid to Alliant Insurance Services as your broker. Historically, we have been paid a fee for our services and that may now be eliminated if Cicero agrees that Alliant may accept commission. There is separate pricing if Cicero wishes Alliant to remain on the service fee.

Vacant Property

The coverage continues to be offered by with Berkshire Hathaway for the property for the vacant buildings. However, the terms of the coverage changed. Due to the length of the vacancy of the building, the carrier will only provide Actual Cash Value on the buildings. An additional term that was changed is the and the types of losses the carrier will cover. Two of the three buildings were insured on a Special form versus basic form. Now all three buildings will be covered for Basic losses. The definition of Special versus Basic is on page 9 of the proposal.

As Berkshire Hathaway reduced their coverage. Other markets were approached for possible quote at replacement cost basis and special form. The market did not have offer any options matching the expiring terms.

The rates for the property at an actual cash value and basic form to prompt a reduction in premium. The renewal premium for the vacant building property premium is **\$29,591 excluding TRIA**. This reflects a reduction of \$6,623.

The general liability for the vacant building's locations continue to be covered under the Package Liability carrier, Illinois Counties Risk Management Trust.

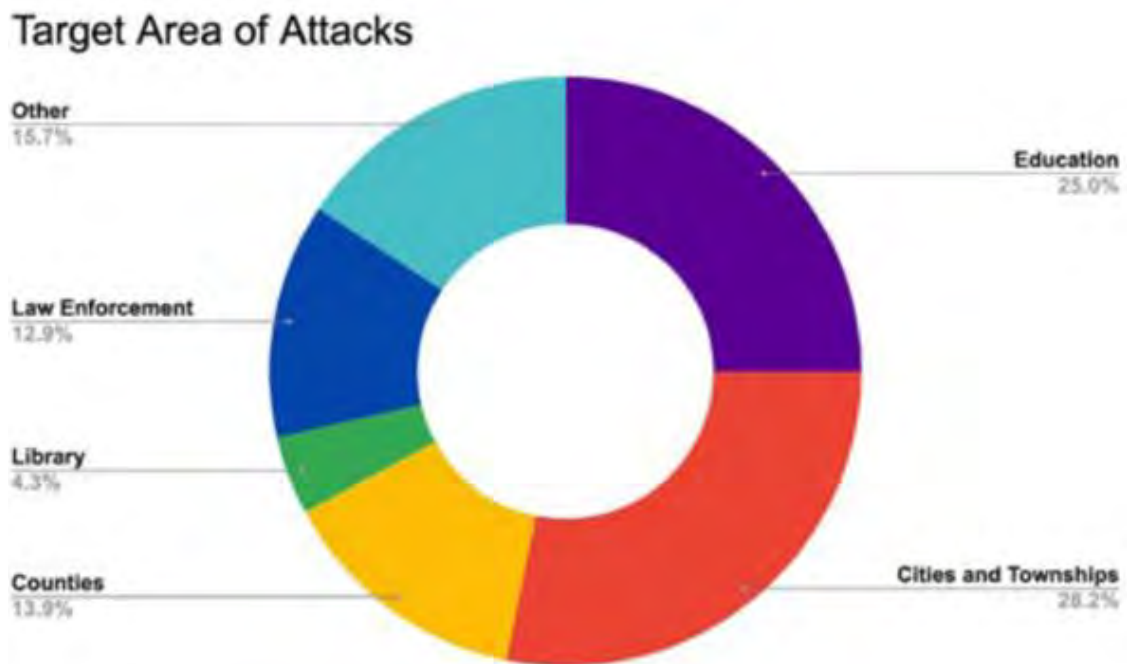

Cyber Liability

The cyber security insurance markets continue to be challenged by Cybercrime losses. By way of example, cyber-crime is projected to hit \$6 trillion annually by 2021, was \$2 trillion in 2019. Ransomware is now the fastest growing in frequency and severity of claims for insurance companies.

Largest cyber extortion demand +\$20M
Largest cyber extortion payment +\$5M

There is no foreseeable slowdown for ransomware claims. All industry segments were impacted. Manufacturing and professional services were particularly hard hit, followed closely by healthcare, education, and government entities.

The pie chart below illustrates the percentages of cyberattacks by public entity.

Specific to the Town of Cicero, the marketplace declined to quote the risk. Organization-wide, the Town of Cicero is lacking controls and safety-measures that would make it an acceptable risk for a Cyber Liability carrier. In addition to that fact, there was a Cyber claim in Cicero this past term that also prompted declinations from the market place. The market responses are listed on page 7 of the proposal.

Alliant Insurance Services continues to find options for cyber liability for the Town of Cicero but at this time, there is not a carrier willing to offer coverage at 7/1/2022.

Alliant Insurance Services continues to work diligently to secure coverage out in the marketplace. The cyber market has become exponential and harder in acceptance of risks without the proper controls and security in place. The following items are the areas of concern and reasons for declination by the markets:

1. Multi-Factor Authentication (MFA) is not in place for emails, cloud data storage, remote access
2. Encryption of confidential information is not in place
3. Lack of privileged account management software
4. Concerns with the time frame which critical and high severity patches are installed
5. Lack of phishing controls training

1. This Agreement will include coverage for Workers' Compensation loss caused by acts of terrorism as defined in the Agreement. Coverage for such losses will still be subject to all terms, definitions, exclusions, and conditions in the Agreement, & any applicable federal and/or state laws, rules, or regulations. Be advised that, under the Terrorism Risk Insurance Act of 2002 as amended, extended, and/or re-authorized (the Act), terrorism losses would be partially reimbursed by the U.S. Government under a formula established by the Act. Under this formula, the U.S. Government would generally reimburse 80% of covered terrorism losses exceeding a deductible paid by us. The Act contains \$100 billion cap that limits the reimbursement from the U.S. Government as well as from all insurers. If aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced. The portion of the EMPLOYER's annual premium attributable to coverage for losses caused by a certified act of terrorism is: 0.5%

POLICYHOLDER NOTICE OF TERRORISM INSURANCE COVERAGE

Berkshire Hathaway Homestate Insurance Company ("Insurer") hereby notifies you that under the Terrorism Risk Insurance Act of 2002, including all amendments thereto, (the "Act"), you have a right to purchase insurance coverage for losses arising out of certified acts of terrorism as defined in the Act. The term "certified act of terrorism" means any act that is certified by the United States Secretary of the Treasury, in consultation with the United States Secretary of Homeland Security and United States Attorney General, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT IF YOU ELECT TO PURCHASE COVERAGE FOR LOSSES ARISING OUT OF CERTIFIED ACTS OF TERRORISM, THERE IS AN ANNUAL LIABILITY CAP FOR COVERED TERRORISM LOSSES UNDER THE ACT EQUAL TO \$100,000,000,000 OF AGGREGATE INSURED LOSSES AS DEFINED IN THE ACT. LOSSES PAID UNDER THIS COVERAGE WILL BE PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. UNDER THIS FORMULA, THE UNITED STATES PAYS A PORTION (85% IN CALENDAR YEAR 2015, DECREASING BY 1% EACH YEAR STARTING JANUARY 1, 2016, UNTIL REACHING 80% ON JANUARY 1, 2020) OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY-ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. ANY INSURER THAT HAS SATISFIED THEIR STATUTORILY-ESTABLISHED DEDUCTIBLE IS NOT LIABLE FOR, AND THE UNITED STATES SECRETARY OF THE TREASURY IS NOT AUTHORIZED TO PAY, ANY PORTION OF SUCH LOSSES EXCEEDING THE CAP ON ANNUAL LIABILITY OF \$100,000,000,000. THE ADDITIONAL PREMIUM CHARGED FOR THIS COVERAGE IS STATED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

SELECTION OR REJECTION OF TERRORISM INSURANCE COVERAGE

UNDER FEDERAL LAW IF THE POLICY YOU HAVE APPLIED FOR IS APPROVED, YOU HAVE THE RIGHT TO ACCEPT OR REJECT COVERAGE FOR A CERTIFIED ACT OF TERRORISM SUBJECT TO THE POLICY'S OTHER TERMS, CONDITIONS, EXCLUSIONS, AND LIMITS. THERE IS ADDITIONAL PREMIUM FOR THIS COVERAGE AS SHOWN BELOW.

<input type="checkbox"/>	<p>hereby elect to purchase coverage for a certified act of terrorism for an additional annual premium of \$ <u>569</u>. I understand that if my application for coverage is approved, my policy will be issued without the Insurer's standard terrorism exclusion, but such coverage would be subject to all of the other Policy terms, conditions, exclusions, and limits (including an exclusion for acts of terrorism not certified by the Secretary of Treasury). Terrorism involving Nuclear, Biological or Chemical Terrorism is excluded. If the Terrorism Risk Insurance Act of 2002, including all amendments thereto, is not extended beyond December 31, 2020, then terrorism coverage under this policy may be affected.</p>
--------------------------	--

NOTE: If you do not elect to purchase coverage and pay the additional premium within two weeks of receiving this notice, you will not have terrorism coverage under this policy. Your policy will be issued with no coverage for losses arising from any act of terrorism, and the Insurer's standard Terrorism Exclusion will be part of your policy.

NOTICE OF TERRORISM
INSURANCE COVERAGE**

You are hereby notified that under the Terrorism Risk Insurance Act of 2002, as amended ("TRIA"), that you now have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act, as amended: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Any coverage you purchase for "acts of terrorism" shall expire at 12:00 midnight December 31, 2027, the date on which the TRIA Program is scheduled to terminate, or the expiry date of the policy whichever occurs first, and shall not cover any losses or events which arise after the earlier of these dates.

YOU SHOULD KNOW THAT COVERAGE PROVIDED BY THIS POLICY FOR LOSSES CAUSED BY CERTIFIED ACTS OF TERRORISM IS PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THIS FORMULA, THE UNITED STATES PAYS 80% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURER(S) PROVIDING THE COVERAGE. YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A USD100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS USD100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED USD100 BILLION, YOUR COVERAGE MAY BE REDUCED. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

	I hereby elect to purchase coverage for acts of terrorism for a prospective additional premium of 10%.
	I hereby elect to have coverage for acts of terrorism excluded from my policy. I understand that I will have no coverage for losses arising from acts of terrorism.
