RE: Budget Transmittal Letter – Fiscal Year 2022

DATE: March 16, 2022

This transmittal letter summarizes the budget for the various funds of the Town of Cicero for the fiscal year that begins January 1, 2022 and ends December 31, 2022.

This budget document was prepared with two major objectives in mind. First, to provide citizens and others interested in the Town's finances complete and understandable information regarding the budget. The second is to develop an annual fiscal plan that will assist Town leaders in making better decisions and enhance financial accountability. The budget was available for public review upon request at the Town's Finance Department.

On March 15<sup>th, 2020</sup>, Illinois Governor Pritzker ordered a statewide closing of businesses that were not considered essential due to the Covid-19 pandemic. This was later lifted; however, closures and limited capacity opening have been in place to varying degrees since then. As a result of these closings and limiting gatherings of people, many towns and villages have experienced loss of revenues and jobs. It is too early to predict how the Covid-19 pandemic will affect the local economy in the long term. The Town will continue to monitor its revenue and expenditures monthly and make any necessary changes to the budget based on changes in the local environment.

As a financial plan, the budget document describes all funds subject to budgeting in the fund structure overview section. In addition, all summaries of all major revenues and expenditures are provided in summary tables. Finally, the summary section includes information showing the projected changes in fund balances for all budgeted funds.

#### **General Fund**

Revenues. Budgeted revenues within the General Fund are \$116,270,347, an increase of \$9,448,635 (8.8%) from the prior year's budget. Approximately \$10 million of this is due to increases in taxes other than property taxes, the majority of which come from the state. The Town has estimated the increase of state tax revenues using the forecast projections issued by the Illinois Municipal League. This has resulted in increases in the 2022 budget as follows: personal property replacement taxes \$2,367,695; state income taxes \$2,150,000; sales tax \$1,217,418; and home rule sales tax \$2,349,339. The 2022 budget also includes the Town's

new local motor fuel tax for \$1,200,000. The increase in other taxes is partially offset by a decrease in budgeted property tax revenue. Property tax receipts are budgeted at \$33,945,000,

a decrease of \$991,383. Though the property tax levy was kept the same as the prior year, the budget was adjusted to more accurately reflect actual collections. Property taxes make up 29.9% of General Fund revenue.

**Expenditures.** The total General Fund expenditure budget is \$115,225,459, an increase of \$8,205,412 (7.7%) from the prior year. This is largely due to an increase in budgeted transfers out of \$3,370,000 to fund projects within the Town. Another reason for the increase in expenses is a \$600,000 increase in for vehicles in the Fire department. An increase in health insurance premiums has also contributed to the higher expenditures budgets. The largest of these increases are in the Fire department (\$960,798) and Police department (\$1,621,892).

Overall, budgeted General Fund revenues of \$116,270,347 exceed budgeted expenditures of \$115,225,459 by \$1,044,888.

#### **Enterprise Fund**

The Water and Sewer Fund in an Enterprise Fund indicating that revenues derived from the operation of the utility should fully fund operations. Rates charged to residents are used to pay for all costs associated with providing water, processing wastewater, and to pay for the repair and maintenance of existing infrastructure.

The spending request for the Water and Sewer fund is \$43,565,371 and is funded by operating revenues of \$44,900,000. This budget included \$21,000,00 budgeted for expected ARPA Fund revenues and the related expenditures for projects using these funds.

Sincerely,

David A. Gonzalez Finance Director

#### **TOWN PROFILE**

The **Town of Cicero** is located six miles west of Chicago's central business district. The Town is bordered by the City of Chicago to the north and east, the Village of Oak Park to the northwest, the village of Stickney to the south, and the City of Berwyn to the west, and encompasses approximately six square miles. When Cook County was organized into townships in 1849, Cicero Township was created and consisted of thirty-six square miles, with its boundaries extending into what are now Chicago, Oak Park, and Berwyn. The Galena and Chicago Union Railroad began operating through Cicero in the same year. On June 23, 1857, 14 electors met to organize a local government for the district, which they named, "The Town of Cicero," bearing the name of the great Roman statesman of the First Century B.C., Marcus Tullius Cicero.

Railroads, immigration, and the Civil War contributed to economic growth in the new township, which by 1867 numbered 3,000 residents. In that year, the state legislature incorporated the Town of Cicero as a municipality with a special charter, which was revised in 1869. The corporate structure has remained essentially unchanged. Cicero's rapid development in these early days collided with the expanding political power of its neighbor, the City of Chicago. By 1889, Chicago had annexed more than half of the original town. An 1899 referendum ceded the Austin neighborhood to the city and in the following year land containing a racetrack was transferred to Stickney Township.

On July 21, 1899, Ernest Hemingway, winner of both the Pulitzer and Nobel Prizes, was born within the Town of Cicero, in what is today the Village of Oak Park. In 1901 the three remaining components of the Town – today's Oak Park, Berwyn, and Cicero – voted to separate. The surviving Town of Cicero retained less than six of the thirty-six square miles carved out in 1849. Immigrants and their families swelled the Town's population, however, and housing construction boomed within the diminished territory.

Served by a network of railroads, Cicero attracted many industries in the twentieth century and became the largest manufacturing center in the state after Chicago. The Cicero Flying Field established in 1911, was one of the first airfields in the Midwest.

Various small communities of a few houses grew up in widely separated sections of the Town. In all, Cicero is composed of eight neighborhoods, with their own distinct characteristics and names: Boulevard manor, Clyde, Drexel, Grant Works, Hawthorne, Morton Park, Parkholme, and Warren Park. With the westward expansion of Chicago and the development of streetcar lines, railroad transportation and surface transportation, these scattered communities quickly grew and coalesced. By 1900, Cicero was a settled community of 16,310 inhabitants.

Western Electric established a telephone equipment manufacturing plant in Cicero in 1904 employing more than 40,000 people, a number that dwarfed the population of Cicero, which was only 14,557 in 1910. This industrial colossus was home to W. Edward Deming's pioneering work on management techniques in the 1920s.

**Population Growth**Cicero's population more than quadrupled from 1910-1930, with the majority of newcomers
Eastern European Immigrants.

Popi	station Growth, t	920-2020
Year	Population	Percent Change
1920	44,995	209.1%
1930	66,602	48.0%
1940	64,712	-2.8%
1950	67,544	4.4%
1960	69,130	2.3%
1970	67,058	-3.0%

During the Depression, the population declined slightly. Following World War II, however, the population again increased to 69,130 and peaked at 70,000 in the early 1960's, finally declining to 67,058 by 1970 and 61,232 by 1980. At present, the Town is surrounded by other municipalities and no annexation of additional territory is possible. According to the U.S. Census Bureau, the population of Cicero is 85,268, and ranks as the eleven largest municipality in Illinois.

#### **Transportation and Travel**

Cicero has a network of transportation facilities, with rapid transit service and a METRA (Burlington Northern) commuter rail line connecting Cicero with the Chicago central business district. Interstate 290 (Eisenhower Expressway) immediately north of Cicero and Interstate 55. (Stevenson Expressway) immediately south of Cicero, provide additional means of access to Chicago as well as outlying area and other national highway systems.

#### Recreation

Recreational opportunities in Cicero are provided by numerous parks as well as various playgrounds through Hawthorne Park District and Clyde Park District. Residents of Cicero are served by thirteen elementary schools, one high school district with three facilities in the Town, one community college, and elementary parochial schools. In January 2012, the Town of Cicero, joined by representatives of Wirtz Beverage and Chicago Blackhawk Hall of Famer Bobby Hull, opened the new Town of Cicero Bobby Hull Community Ice Rink. (pictured below)

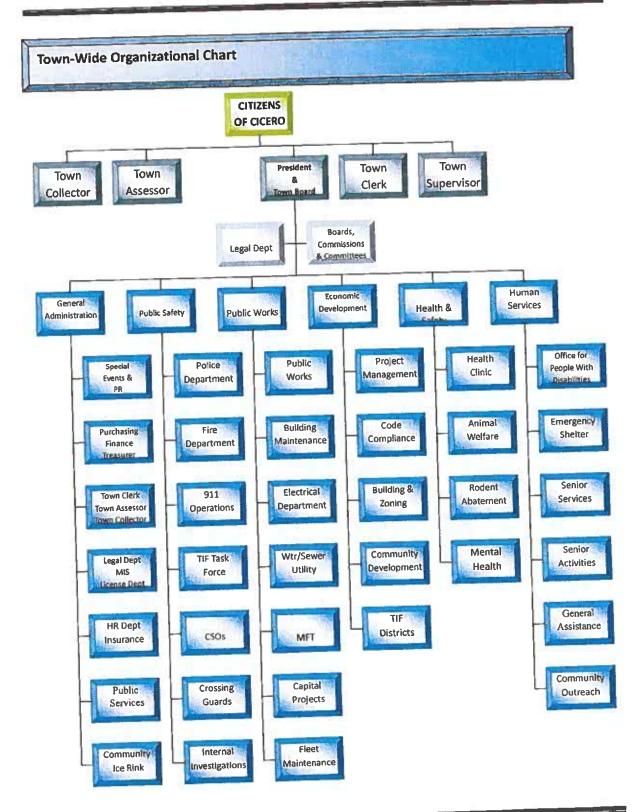

The rink operates during the winter months while temperatures support skating conditions and as a roller rink during the Spring and Summer months.

#### Industry

There is no commonly called "downtown" or "central business district" in Cicero, however the Town has a strip of commercial development along Cermak Road which represents the concentration of commercial uses as well as other smaller commercial centers. Industrial uses represent a high percentage of the total uses and total land area, with a peak of over 150 factories within 1.75 miles. Industries are concentrated along the eastern and northern sides of the Town, and in a smaller area at Ogden Avenue and 31st Street.

#### Town Organization and Administration

The Town of Cicero is governed by an elected president and elected seven-member Board of Trustees. The Town President is the Town's chief executive officer. Trustees serve staggered four-year terms. The Board operates through the following committees: Finance and Personnel; Public Works; Building and Grounds; Fire and Police; Economic Development and Neighborhood Conservation; Licenses; Health and Welfare; Water and Lighting; Utilities and Air Pollution, Budget; Insurance; Ordinance; Anti-Gang and Committee of the Whole.

#### **Mission Statement**

The Mission of the Town of Cicero is to provide superior, responsive, and coordinated governmental services that best meet the needs of the residents and businesses of Cicero that (a) address immediate concerns for safe and affordable housing; (b) ensure safe neighborhoods; and (c) advance economic opportunities and a diversified business climate, with the highest standards of service excellence and personal and professional integrity. Town officials and staff will encourage and advocate for an environment for living and working that is founded upon a strong community spirit of trust, broad-based citizen involvement, and dignity and respect for all regardless of ethnic, social, or economic backgrounds.

#### **Guiding Principles and Priorities**

#### The Town of Cicero will:

- Continue to proactively address the demands of public safety through adequate staffing, consistent enforcement, and professional training and development of fire, police, and public works personnel.
- Continue to maintain a vigilant assessment and on-going re-assessment of local financial resources.
- Embark upon prudent financial planning for capital improvements through development of a Five-Year Capital Improvement Plan.
- Continue working in a spirit of intergovernmental cooperation with other governmental agencies, and with local, state, and federal legislators.
- Continue to critically evaluate the manner in which services are provided and financed by implementing processes of strategic thinking and planning.
- Focus on methods of cost recovery to ensure services are best financed through charges to users
  of the service.
- Continue to evaluate ever-rising personnel and benefit costs and form a partnership with employees and pensioners in addressing health care premium costs.
- Focus on technology enhancements that improve service delivery and accountability.
- Will work to build necessary infrastructure reserves for fixed assets, parks, facilities, and streets through operational cost savings and revenue
- Continue to protect and enhance its historical heritage, architecturally significant buildings, residential neighborhoods, natural resources, open spaces, and recreational areas.

#### Town-Wide Strategic Goals and Objectives

The Town of Cicero is committed to providing its citizens with a full range of public services in the most efficient and effective means possible, within the fiscal constraints imposed upon the administration. On an annual basis the Town President and Department Heads reflect upon the progress made in the previous year and evaluate future needs and objectives. This evaluation is intended to discover new and innovative ways to continue to pursue the broad goals of the administration. The goals identified below set the overall direction for the Town and establish the foundation upon which the budget rests.

#### **Administrative Goals**

Provide overall direction to management and staff in realizing the objectives of the Town Board in an open, fair, professional, and fiscally responsible manner.

- Continue analyzing operations, staffing, and programs to ensure cost-effective, efficient, and quality service is provided to residents and businesses.
- Continue to guide the analysis, design, and implementation of information and technology assets leveraging projects across multiple departments to support Town operations and provide excellent customer service.
- Continue improving operating budget, financial practices to promote efficient service delivery, fiscal responsibility, and transparency.
- Continue developing intergovernmental relationships to enhance the overall quality of life in the Town.
- Enhance the Town's community planning and economic development efforts to continue improving the quality of life in the Town of Cicero.
- Enhance the Town's communication program to promote expedient and effective dissemination of information to internal and external customers of the Town.
- Continue improving the capital improvement program planning process pertaining to infrastructure and facilities projects in an effective, fiscally responsible manner.

#### **GOAL: FINANCIAL STABILITY**

Provide both short- and long-term quality municipal services through the utilization and development of adequate financial resources in an equitable manner to local taxpayers with effective control over costs of operations.

- Update and improve the Town's long-range projections and trend analyses of both revenues and expenditures across all classifications.
- Review privatization, technology enhancements, and other potential cost-savings measures to provide quality municipal services.
- Monitor and report revenue and expenditure activities to the governing board to create a proactive, rather than reactive, decision-making environment.

#### **GOAL: ECONOMIC DEVELOPMENT**

Stimulate the community's economy through a combination of policies and programs which diversify the economic base, provide adequate infrastructure, and support, and promote redevelopment within the Town's current Tax Increment Financing Districts through incentive-based programs and public-private partnerships that benefit the citizens and taxpayers of the community.

- Regularly meet with community businesses.
- Recommend and implement economic development strategies and projects.
- Enhance public safety and the Town's infrastructure to create a positive business climate that stimulates private investment.
- Promote participation in public/private partnerships in order to leverage opportunities for outside capital investment.
- Market the Town as a viable business environment at trade and technology symposiums, economic development conferences, and business associations

#### **GOAL: PUBLIC SAFETY**

Enhance public safety initiatives through increased community interaction, neighborhood partnerships, personnel training, and proactive strategies

- Increase public safety visibility in the neighborhoods through foot and bicycle patrols and citizen participation in neighborhood watch programs.
- Continue to develop the Juvenile Improvement Program through classroom instruction and community involvement.
- Enhance training programs for public safety personnel in the Fire and Police Departments through in-house instructional programs, regional conferences, and statewide programs.
- Promote community events and departmental programs throughout the year
- Maintain the fire and police department websites with an emphasis on promoting the departments and informing the public.

#### GOAL: COMMUNITY DEVELOPMENT

Develop a Comprehensive Plan and provide the necessary public facilities and infrastructure necessary for residential, commercial, and industrial taxpayers.

- Prepare comprehensive plans and strategies for the long-term maintenance and expansion of public facilities and infrastructures.
- Develop a property management plan for all land and facilities that provides an inventory and information necessary for effective decision-making.
- Promote citizen and business involvement and responsibility in neighborhood maintenance, safety, and improvement programs.
- Maintain, expand, and improve public facilities and infrastructures to serve and protect the community.
- Maintain current information on the growth and development trends of the Town and regional areas.
- Maintain an internal "grant alert program" informing town staff of potential local, state, and federal grant funding opportunities.

# GOAL: QUALITY PROGRAMS FOR SENIORS, CHILDREN, AND FAMILIES

Develop, coordinate, and provide municipal services that meet the needs of our citizens and improve the quality of life for our seniors, children, and families through coordinated programs, activities, and avenues of support.

- Continue to focus on quality-of-life issues for our seniors through on-going services provided by the Department of Senior Services, including, but not limited to transportation, home maintenance, lawn care, and snow and ice control.
- Provide educational, cultural, and health related programs for seniors through the Town's Health Department and Department of Senior Activities.
- Expand opportunities for children to learn and grow through activities provided by the Community Center, After School Youth Programs, park activities, and literacy initiatives through the Office of the Town President.
- Enhance cultural and recreational opportunities for families through festivals, holiday celebrations, and Summer in the Park movies and entertainment
- Enhance recreational programs through the addition of soccer and baseball fields, volleyball and basketball courts, and the town's community ice rink.

#### **BUDGET PROCESS**

#### CREATING THE ANNUAL BUDGET

The Town's fiscal year begins January  $1^{st}$  and ends December  $31^{st}$ . The Town establishes annual budgets for all of its funds, and includes revenues, expenditures, other financing sources and uses, and anticipated fund transfers

The Town of Cicero uses the cash basis of accounting when preparing budgets. After the close of the fiscal year the Town's accounts are converted to the modified accrual basis of accounting to produce the Comprehensive Annual Financial Report.

In Illinois, municipalities may conduct their financial operations within one of two alternative frameworks: the appropriations system (65 Illinois Compiled Statutes 5/8-2-9) or the budget system (65 Illinois Compiled Statutes 5/8-2-9.1 through 9.10). The Town of Cicero operates under the appropriations system.

The Town of Cicero adopts both an Annual Budget and an Appropriations Ordinance on an annual basis. Whereas the Annual Appropriations Ordinance sets forth amounts that can be legally expended across the various departments of the Town, segregated by line within individual departments and fund type, the Annual Budget presents a more comprehensive review of assumptions, policies, and long-range forecasting. In this sense, in accordance with GFOA guidelines, the Annual Budget serves as the Town's primary communications device, financial plan, and operations guide.

Revenue Projections: The amount of funding the governing body chooses to spend on outcomes drives the budget process. The first step in the budget development process is the projection of revenues by the town's Chief Financial Officer, assuming all current policies and practices are continued. Since future revenues cannot be known for certain, the framework for the whole budget development process, in effect, is built upon assumptions about the Town's economic and financial future.

Trends in the performance of each revenue source are studied, and economic conditions and events that could alter the projections are considered. Many factors affect revenues, including weather conditions (especially important for electric and gas utility franchise taxes); motor vehicle and gas taxes; and local economic conditions (influencing the sales tax revenue stream as well as other sources).

Forecasting revenues is one of the most difficult tasks the Town encounters when preparing a budget. If assumptions are too optimistic, policy makers may adopt programs that will not be supported by actual revenues in the coming year. If assumptions are too pessimistic, the budget process becomes constrained by the need to reduce programs and expenditures, or to find new revenue sources, including tax increases.

Following the formulation of revenue projections:

Each department head completes a report requesting certain levels of funding per line item for the new year, complete with an explanation of line-item variances from prior year budgets and actual expenditures. Completed requests are submitted to the Chief Financial Officer.

Completed budget requests are reviewed by the Chief Financial Officer for each individual fund and department as prepared by either the department head or by the Chief Financial Officer for budget areas without an assigned director, such as capital projects, debt service, and insurance, and entered into a complete draft budget document.

Budget requests are compared to anticipated revenues, reviewed with the Town President, adjusted as necessary, and prepared in final, balanced form for presentation to department heads at a pre-approval meeting for input and adjustment.

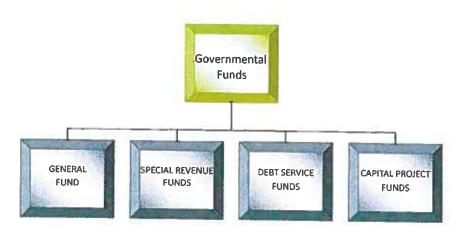

Once balanced and approved for presentation to the Town Board by the Town President, the Chief Financial Officer schedules a budget workshop for public input and a Public Hearing prior to adoption.

Public budget hearings are conducted before the Town Board approves the annual budget and appropriations ordinance.

Upon adoption, the approved appropriations ordinance becomes the authorization to expend funds in the new budget year, while the budget informs the public and decision-makers of the impact of budgetary decisions on the financial well-being of the community and the services to be provided.

The Budget and Appropriation Ordinance must be adopted prior to the end of the First Quarter of the new fiscal year and filed with the County Clerk, although passage prior to the start of the fiscal year remains a primary annual objective.

#### **FUND STRUCTURE**

<u>General Fund</u> – to account for all activity traditionally associated with government operations which are not required to be accounted for in another fund.

<u>Special Revenue Funds</u> - intended to be used to report specific revenue sources that are limited to being used for a particular purpose, such as transportation aid and specific governmental grants. In practice, governments also use them to report all of the financial activities associated with a single function and class of revenue.

- Motor Fuel Tax Fund to account for the operation of street maintenance programs and capital
  projects as authorized per the Illinois Department of Transportation (IDOT). Financing is provided
  from a State of Illinois municipal allotment of gasoline tax revenues. The fund also accounts for the
  allotments and related expenditures from IDOT's Rebuild Illinois Program.
- Emergency Telephone System Fund to account for revenues and expenditures for 911 emergency telephone service. Financing is provided by landline and wireless phone surcharges.
- Judgment Fund to account for revenues and expenditures for the defense of claims levied against
  the Town and its officials. Financing is provided through a portion of the annual tax levy.
- Community Development Block Grant to account for the revenues and expenditures of the Federal
  Community Development Block Grant program. Financing is provided by the Federal government on a
  reimbursement basis in accordance with Federal formula.
- Neighborhood Stabilization Program (NSP) to account for the NSP Program. Financing is provided by the United States Department of Housing and Urban Development

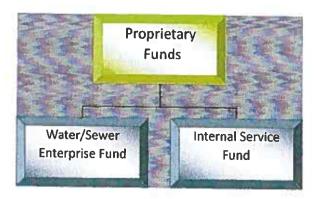

- Emergency Solutions Grant to account for the revenues and expenditures of the Federal Grant program. Financing is provided by the Federal government on a reimbursement basis in accordance with Federal formula.
- Mental Health to account for revenues and expenditures of mental health programs administered by the Town of Cicero Department of Mental Health. Financing is provided through the annual tax levy.
- General Assistance Fund to account for revenues and expenditures for the administration of public
  welfare assistance in accordance with guidelines of the State of Illinois. Financing is provided through
  a portion of the annual tax levy.
- Police Seizure to account for revenues and associated with the acquisition and disposal of properties lawfully seized by the Town of Cicero in enforcement of state and local laws.
- Police Narcotics to account for revenues and associated with the acquisition and disposal of properties lawfully seized by the Town of Cicero in enforcement of state and local laws.
- Youth Commission to account for revenues and expenditures of youth commission programs and activities. Financing is provided through support from the Town of Cicero, the Department of Community Development Block Grant, and the Department of Mental Health.
- Aquatic Center to account for revenues and expenditures related to the construction and operation
  of the Town's Aquatic Center.
- Justice Assistance Grant Fund to account for the revenues and expenditures of the Federal Grant program for the police department. Financing is provided by the Federal government.
- DCEO Grant Fund to account for the revenues and expenditures of DCEO state grant funding.
- Foreign Fire Tax Fund to account for revenues and expenditures of the Foreign Fire Tax Board. Financing is provided by a tax on fire insurance issued by companies not incorporated in the State of Illinois equal to 2% of premium costs.
- Cicero Public Library Fund to account for the Cicero Public Library. The Cicero Public Library promotes the development of independent, self-confident, and literate citizens through the provision of open access to cultural, intellectual, and informational resources for all ages. Financing is provided primarily through the annual tax levy, with additional support from corporate replacement taxes and a per capita State of Illinois Literacy Grant.

<u>Debt Service Fund</u> - to account for principal and interest payments on all governmental-type bonds of the Town. Debt transactions associated with proprietary and fiduciary activities are accounted for in those funds.

<u>Capital Project Funds</u> – to account for capital projects not funded through special revenue or enterprise funds. Capital projects include but are not limited to long term improvements to public buildings, the paving of town streets, and the improvement and development of recreation facilities. Financing is provided primarily by grants, general obligation bond proceeds, and motor fuel tax funds.

- <u>TIF District Funds</u> to account for capital improvements (primarily street and alley paving, land acquisitions and improvement) financed by property and sales tax increments generated within the district.
- Bond Related Capital Project Funds to account for capital improvements and acquisitions financed by the balance in the Series 2012 and 2017 General Obligation Bond Issuances.

#### **Proprietary Funds**

Enterprise Funds - Water/Sewer Enterprise Fund accounts for financial activities related to the Town's water/sewer utility, which generates its own revenues through water and sewer billings and meets its own financial obligations.

Internal Service Funds - The Town's Internal Service Fund includes the Employee Benefit Fund, which accounts for premiums and claim expenses related to the Town's self-insured health insurance program, and for premiums and claim and administrative costs of the Town's Risk Management Program.

#### 2022 BUDGET HIGHLIGHTS

The 2022 Adopted Budget provides funding for forty-two (42) departments within the General Fund, sixteen (16) Special Revenue Funds, one (1) Debt Service Fund, nine (9) Capital Project Funds, one (1) Enterprise Fund, and two (2) Internal Service Funds. Brief reviews of major departmental budgets are provided below.

#### General Administration:

- Office of the Town President. The 2022 Adopted Budget includes \$1,698,036 in expenditures in accounting for the Office of the Town President and the Trustees of the Town Board. Included in this budget is funding for the Town's lobbyist, utility tax refunds to other taxing bodies, organizational management, certain public relations initiatives, citizenship training, holiday food baskets and clothing drives, and other services provided by the Office of the Town President. The cost of operating the Town's various Boards and Commissions was moved to its separate department in 2014.
- Town Paid Insurance. The Town currently pays various amounts toward the cost of retiree health care premiums per certain collective bargaining agreements. Following the results of an internal audit of retiree premium contributions, the Town's contribution shows an increase from \$1.6 million to \$1.8 million, with retirees under age 65 responsible for 25% of premium costs and retirees over 65 responsible for 50% of the applicable premium.
- Building Department, Licensing, Project Management. Permit Administration, Inspection Services, Code Enforcement, Licensing, and Project Management show a 2022 budget of \$2,934,903.
- Legal Department. 2022 legal services show a budget of \$2,610,148 and include municipal ordinance, regulations, liability and workers compensation defense, labor and employment, redevelopment agreements and negotiations, and general contract development, coordination, and supervision.
- Non-Departmental: General Overhead. The 2022 Adopted Budget includes expenditures of \$5,332,500, an increase from the 2021 budget of \$3,887,500. \$785,000 of this increase is due to moving the budget for all gasoline expenses from other departments into general overhead. The remainder of the increase is due to higher insurance premiums being paid by the Town. Included are workers compensation premiums of \$1,300,000, unemployment compensation of \$45,000, liability insurance premiums of \$1,700,000, and town-wide telephone charges of \$1,380,000.
- Other Departments. Other administrative departments include Purchasing, Financial Affairs, Office of the Town Clerk, Town Collector, Town Assessor, Town Supervisor, Human Resources, Internal Affairs, Administrative Hearings, and Information Technology, reflecting total expenditures of \$5,333,582.

Special Events and Public Relations. The 2022 Adopted Budget reflects the Town's commitment to providing year-round activities for local families and to engage the community in Town programs through an active campaign of communication through newsletters, cable broadcasts, and social media. The 2022 budget totals \$2,765,820. Management controls and scheduling changes have been included to maintain costs within available resources.

Public Works and Utilities. Public Works and Utilities expenditures total \$15,772,127 in 2022. This reflects public works, electrical services, and building maintenance expenditures.

<u>Public Safety</u>. Public Safety expenditures in the 2022 Adopted Budget include projected costs within the Police and Fire Departments, the Dispatch Center, Community Service Officers, Crossing Guards, Violations & Vehicle Tow and Storage. 2022 Public Safety expenditures total \$61,827,704. Significant items by department are:

Fire Six new firefighters are included in the 2022 Adopted budgeted, resulting in increased salaries and health insurance premiums of \$1,587,187.

Police An increase of \$1,621,892 for health insurance premium expenses to more accurately reflect actual expenses for the number of employees in the department. New police cars have been budgeted at \$400,000 and new equipment for \$200,000.

Dispatch Center The 2022 Adopted Budget reflect a change within the department. While it is currently outsourced, the budget reflects these services being switch to in-house halfway through the year.

Health and Welfare and Human Services
The 2022 Adopted Budget includes expenditures for health and welfare and human services totaling \$7,535,468 within ten (10) departments of the General Fund: Health Department, Healthcare Management, Rodent Abatement, Animal Control, Senior Services, Services for the Disabled, Senior Activities, Emergency Shelter, Community Ice Rink, and Community Center; and within two Special Revenue Funds: Mental Health and General Assistance (Public Welfare) totaling \$817,484.

Community Development. 2022 Community Development expenditures within the Town's Community Development Block Grant Program total \$2,428,190 and the Emergency Solution Grant Program total \$923,250. Both programs include additional funding from Coronavirus (CV) grants, allowing additional programs to be included in this budget.

<u>Cicero Public Library</u>. The 2022 Adopted Budget for the Cicero Public Library totals \$2,719,469 and reflects an increase of \$122,744, or 4.7% over 2021. The capital outlay budget includes \$250,000 for a new roof for the library.

Health and Workers Compensation. Health insurance claims (health, medical, vision, dental, prescriptions) payable through the Town's Employee Benefit Plan are projected to total \$20,995,307 in 2022; while workers compensation and liability claims payable through the Town's Risk Management Fund are projected to total \$4,170,000. Work related injury claims have increased over the past several years, leading to increases in overtime costs and workers compensation medical costs.

Waterworks and Sewerage Enterprise Fund. The Town of Cicero owns and operates its own water system without any encumbrances, which supplies Lake Michigan water purchased through the City of Chicago. The Town is responsible for collection of sewage and delivery to major interceptors of the Metropolitan Water Reclamation District of Greater Chicago (formerly the Metropolitan Sanitary District of Greater Chicago). The 2022 Adopted Budget includes \$21,000,000 in expenditures for projects to be completed with ARPA Funding.
